Sorry I'm running late,  
Damon. I just found out we  
have a special delivery to  
make today!

No problem, Raymond. I'm  
glad you are here. What's  
the special delivery?

There's no time to explain. We have to leave now, or we will be late.

OK. I will load my deliveries. Caimans can move only so fast in the morning!

Are we making our  
usual stops first?

We don't have time, Damon.  
The special delivery is first.  
You will be amazed!

But what is the special delivery, Raymond? I don't remember seeing anything special on my list.

Trust me, it IS special.
